

Dear D-Team Families,

We'd like to welcome the teams from Lake State, Mount Ski Gull, Powder Ridge, and Andes Tower Hill to our Saturday January 11th race. Potentially more than 200 racers and their families will be attending. It should be a fun, exciting day of racing.

THINGS TO KNOW BEFORE YOU GO!

See map (attached) for locations for each age/gender group.

Racers 10 and up will be on West. Racers 9 and under will be on Money Run

- **RACE HEADQUARTERS FOR EVERY TEAM**

Each ski team will have a designated area and will be labelled day of event for teams to use as headquarters. Areas can bring banners to hang in front of their area so families can easily find meeting areas. **Our lodge space is extremely limited. Please help us by leaving extra gear & bags in vehicles.**

- All race officials, volunteers, & coaches need to check in at the race registration counter to pick up additional information. Registration for the race will open at 8am
- Guest Services will open at 7:45am for Lift Ticket purchasing.

FOOD SERVICE

The Burger Shack will be selling a racer rapid serve meal deal. Located on the East side of the lodge. Or follow your nose! In order to expedite service, a meal ticket will be sold at guest services and registration throughout the morning (buy early to avoid the rush) please pay with either cash or check. Tickets will not be sold in the café line or at the Burger Shack. At lunch time, people will simply walk up to the Burger Shack, present their meal ticket and receive a meal. Please take advantage of this rapid serve option, otherwise be prepared to spend 30-45 minutes waiting in line.

Meal Deal: Hot Dog or Brat, chips, cookie, and bottled water or can pop - \$7.00

Note: There is no outside food allowed and crock pots will not be allowed in the lodge.

We're looking forward to a great day of racing.

Thank You,
DM Operations Staff
